ACCOMMODATION AND SERVICES

Summer Residence fees do not include meals and cooking facilities are not available. Residents may purchase their meals from several campus food outlets during the summer. Please visit the Dining Directory for food options on campus.

Bedrooms are furnished with a single bed, desk, bookshelf, chair, dresser and closet. Residents must supply their own bed linens, pillow, towels and toiletries. Students may purchase linens through York University's external partner Residence Linens prior to arrival and they will be shipped to the Housing Office and ready for when you arrive. Residents may keep a small refrigerator in their room; rental information can be found at our external vendor Coldex site.

Wireless Internet is available in the residence. Common lounges are equipped with a television with basic cable. Residents may order in-room cable TV directly from Rogers.

Basic cleaning service is provided in the common areas; however, residents are responsible for cleaning their own rooms and for cleaning up after themselves in all the common areas.

Winters Residence has a laundry room with YU-card operated washers and dryers. A Guest YU-card can be purchased and loaded at campus libraries and the William Small Centre Computing Commons and can be reloaded on the YU-card website.
Summer Residents will be assigned with a mailbox. Mail is delivered daily from Monday to Friday (except statutory holidays). All mail should be addressed as follows:
